

Privacy Policy

At Tutorifyx, we are committed to protecting your privacy and ensuring the confidentiality of your personal information. This Privacy Policy outlines how we collect, use, and safeguard the information you provide to us. By using our services or accessing our website, you agree to the terms of this Privacy Policy.

Collection of Information:

Personal Information: We may collect personal information, such as your name, contact details, and payment information when you register for our tutoring services or interact with our website.

Usage Information: We may gather non-personal information about your interactions with our website, such as your IP address, browser type, and operating system, to improve our services and enhance your user experience.

Use of Information:

Personalization: We may use the information provided to personalize our tutoring services, tailor our communication with you, and deliver relevant educational content.

Communication: We may use your contact information to respond to your inquiries, provide updates regarding our services, or inform you about relevant offers or promotions. You can opt-out of receiving marketing communications at any time.

Payment Processing: We securely process payment information to facilitate transactions for our tutoring services.

Information Sharing:

Third-Party Service Providers: We may share your information with trusted third-party service providers who assist us in delivering our tutoring services, processing payments, or analyzing website usage. These providers are obligated to maintain the confidentiality of your information.

Legal Compliance: We may disclose your information if required by law or in response to a valid legal request.

Data Security:

We implement industry-standard security measures to protect your personal information from unauthorized access, alteration, or disclosure.

Despite our best efforts, no data transmission over the internet or electronic storage system can be guaranteed to be 100% secure. Therefore, we cannot guarantee the absolute security of your information.
